SUMMARY

Graduate of Bachelor of Science in Information Technology from Manuel S. Enverga University, with a specialization track in Web and Mobile Application Development. I enjoy creating responsive and intuitive web applications using modern technologies. My goal is to keep learning and improving my skills while contributing to meaningful projects.

WORK EXPERIENCE

Full Stack Developer | Freelance   **May 2023 - Present**
- Provided services for local business owners by building and maintaining their online presence by developing custom, responsive websites and providing ongoing technical support. I collaborated directly with clients to understand their needs and deliver tailored web-based solutions.

Full Stack Developer Intern | MSEUF ICTD   **February 2025 - May 2025**
- Developed and maintained company systems, implementing improvements and updates in collaboration with the IT team. I communicated system changes to end-users to ensure smooth adoption.

On-Call Computer Technician | Self-Employed   **July 2021 - December 2023**
- Repaired and upgraded laptops and desktops, installing OS and hardware. I also configured software and provided technical support for various hardware and software issues.

EDUCATION

Bachelor of Science in Information Technology   **June 2021 - July 2025**
